

Seeking Real Hygienists for Major Toothpaste Commercial

Morgan Casting is seeking **real dental hygienists** to appear in a national commercial for Pronamel toothpaste. No actors needed. Seeking the real deal!

Casting women and men who currently work as dental hygienists and truly love and recommend Pronamel toothpaste. The commercial deals with the concerns of acid wear and the benefit of Pronamel.

One should look to be between the ages of 28 – 48 years. No acting needed, just you talking about what you love doing most and the product. Open to all ethnic backgrounds.

Live auditions will be held in New Brunswick soon for our top candidates. If booked to shoot the commercial, you will make \$2000 for your shoot day + one will be compensated \$200 for attending the casting session if invited to do so. Shoots in mid October in Toronto.

If you are interested and genuinely recommend Pronamel, please email us two photos of yourself (full length + head and shoulders with a nice smile), along with your name, age, city in NB and office in which you work or practice, plus your best contact information as well (best phone and email).

Email to castinghygienists@gmail.com Please title your email with "your name" for NB Hygienist 2017" Time is of the essence. Deadline for submissions is Mon. July 31st at midnight. Please pass along to anyone you know who might be interested or great for this. Sincerely appreciated.
